And now the mellow sounds of Jimmy Early

I meant you no harm, I never meant to make you cry  
You were the only one I've ever loved in my life  
And though it's hard for me to show it  
I've got to let him know it 'cause darling I love you more  
each day  
But the words got in my way

Oh, I meant you no harm and I would die  
If you ever said goodbye, I love you, I love you  
But I meant you no harm, I never, never meant to make  
you cry  
You are the only one I'll ever love in my life

Hold it, hold it, hold it, I can't do it  
I can't do it no more, I can't sing no more sad songs

One two three hit me, bop be bop, bop be bop be deed  
bop  
Bop be bop, Bass man, huh, come on up  
One two three hit me, uh, sound good, yeah  
Saxophone on the floor, one two three, hit it  
Yeah, ow, uh, come on, horns hit it, uh, ah, yeah

Hey girl let's rock with Jimmy Early  
Got a home in the hills, Mercedes Benz  
Hot swimming pool, got lots of friends  
Got clothes by the acre, credit to spare  
I could wake up tomorrow and find nobody there  
But Jimmy want more, Jimmy want more  
Jimmy want, Jimmy want, Jimmy want more

Listen, Jimmy wanna rib, Jimmy wanna steak  
Jimmy wanna piece of your chocolate cake  
And more than all that Jimmy wants a raise, 'cause  
Jimmy got soul, Jimmy got soul, Jimmy got, Jimmy got,  
Jimmy got soul

Sooner or later the time comes around  
For a man to be a man to take back his sound  
I gotta do something to shake things up

I like Johnny Mathis but I can't do that stuff  
'Cause Jimmy got soul, Jimmy got soul, Jimmy got S O U  
L soul

I can't do rock  
I can't do roll, what I can do baby is show my soul  
'Cause Jimmy got soul, Jimmy got soul  
'Cause Jimmy got, jimmy got, jimmy got soul
