It's three O'clock in the morning
And the rain begins to fall
But I know what I need
But I don't have it at all

I'm needin' someone like you
That I just wanna do love to
Baby, baby, I need you tonight

Outside my window
It's lonely and cold
But inside my heart there's a fire, baby
That is burning out of control

Burning for someone like you
That I just wanna do love to
Baby, baby, yeah, I need you tonight

Yeah, your love's coming to me
Just like a wolf howling at the moon
That just doesn't do me
If I can't get you soon

I'm calling for someone like you
That I just wanna do love to
Baby, baby, I need you tonight
Baby, baby, baby, I need you tonight
[Incomprehensible]
