Yeah

Say a little prayer for you

Me, I go, say a little prayer for you

From the moment me wake up

Before me put on me makeup

Me say a little prayer for you

Me combing me hair now

Me, I wonder which dress be wear now, ooh

Me say a little prayer for you

Forever and ever you'll stay in my heart and I'll love you

Forever and ever, we never will part, I'll love you

Together, together, that's how it should be without you

Would only mean heartbreak for me, ooh

Me run for the bus, love, me, I ride, me, I think of us,  
love

Me say a little prayer for you

At work, I just take time and all through my coffee  
break time, ho

Me say a little prayer for you, oh

Forever and ever you'll stay in my heart and I'll love you

Forever and ever, we never will part and I'll love you

Together, together, that's how it should be without you

Would only mean heartbreak for me, ooh

Say a little prayer for you

Me, I go, say a little prayer for you

My darling, believe me

For me there is no one but you

Say you love me, too, oh

Forever and ever you'll stay in my heart and I'll love you

Forever and ever, we never will part, I'll love you

Together, together, that's how it should be to live 'thout  
you
