At my door the leaves are falling  
The cold wild wind will come  
Sweethearts walk by together  
And I still miss someone

I go out on a party  
To look for a little fun  
But I find a darkened corner  
'Cause I still miss someone

Though I never got over those blue eyes  
I see them everywhere  
And I miss those arms that held me  
When all the love was there

And I wonder if he's sorry  
For leaving what we begun  
Yeah, there's someone for me somewhere  
But I still miss someone

Oh, I wonder if he's sorry  
For leaving what we begun  
There's someone for me somewhere  
But I still miss someone  
I still miss someone
