[Intro]

I swear by the the moon
And the stars in the skys
And i swear like the
Shadow that's by your side

[Verse 1]

I see the questions in your eyes
I know what's weighing on your mind
You can be sure i know my part
'cause i stand beside you through the years
You'll only cry those happy tears
And though i make mistakes
I'll never break your heart

[Chorus:]

And i swear by the moon
And the stars in the skys i'll be there
I swear like the shadow that's by your side
I'll be there
For better or worse
Till death do us part
I'll love you with every beat of my heart
I swear

[Verse 2]

I'll give you every thing i can
I'll build your dreams with these two hands
We'll hang some memories on the wall
And when ((and when)) just the two of us are there
You won't have to ask if i still care
'cause as the time turns the page
My love won't age at all

[Chorus] x2

And i swear (i swear) by the moon
And the stars in the skys i'll be there (i'll be there)
I swear (and i swear) like the shadow that's by your
side
I'll be there (i'll be there) for better or worse
Till death do us part i'll love you

With every beat of my heart and i swear

And i swear (i swear) by the moon
And the stars in the skys i'll be there (i'll be there)
I swear (and i swear) like the shadow that's by your
side
I'll be there (i'll be there)
For better or worse (better or worse)
Till death do us part (I know) i'll love you
With every single beat of my heart
I swear i swear i swear
