I try, but I can't seem to get myself
To think of anything but you
Your breath on my face
Your warm gentle kiss I taste

That's true, I taste the truth
You know what I came here for
So I won't ask for more

I wanna be with you
If only for one night to be the one
Who's in your arms who holds you tight
I wanna be with you

There's nothing more to say
There's nothing else I want more
Than to feel this way
I wanna be with you

So I'll hope for tonight like I would
If you were mine, to hold, forever more
And I'll savor his touch that I wanted so much
To be here before, to feel before
How beautiful it is just to be like this

I wanna be with you
If only for one night to be the one
Who's in your arms who holds you tight
I wanna be with you

There's nothing more to say
There's nothing else I want more
Than to feel this way
I wanna be with you

Oh, baby, I can't fight this feeling anymore
Drives me crazy when I try to
So come my way, take my hand
Can you make my wish
Baby, your command, yeah

I wanna be with you

There's nothing more to say
There's nothing else I want
More than to feel this way

I wanna be with you, oh, yeah
I wanna be with you
Wanna be with you, yeah

I wanna be, I wanna be with you
I wanna be, I wanna be, I wanna be
I wanna be with you, yeah
I wanna be, I wanna be, yeah
I wanna be, I wanna be, baby

I wanna be
I wanna be with you
I wanna be with you, yeah
I wanna be with you
