You set my soul at ease  
Chased darkness out of view  
Left your desperate spell on me  
Say you feel it too, I know you do

I've got so much more to give  
This can't die, I yearn to live  
Pour yourself all over me  
And I'll cherish every drop here on my knees

I wanna love you forever  
And this is all I'm asking of you  
Ten thousand lifetimes together  
Is that so much for you to do?  
'Cuz from the moment that I saw your face  
And felt the fire in your sweet embrace  
I swear I knew, I'm gonna love you forever

Oh my mind fails to understand  
What my heart tells me what to do  
And I'd give up all I have just to be with you  
And that would do

I've always been taught to win  
And I never thought I'd fall  
Be at the mercy of a man, I've never been  
Now I only want to be right where you are

I wanna love you forever  
And this is all I'm asking of you  
Ten thousand lifetimes together  
Is that so much for you to do?  
'Cuz from the moment that I saw your face  
And felt the fire in your sweet embrace  
I swear I could've loved you forever

Whoa oh in my life I've learned that heaven never  
waits, no  
Let's take this now before it's gone like yesterday, no  
'Cuz when I'm with you there's no where else  
That I would ever wanna be, no  
I'm breathin' for the next second I can feel you loving

me  
I'm gonna love, I'm gonna love

I wanna love you forever  
And this is all I'm asking of you  
Ten thousand lifetimes together  
Is that so much for you to do?  
'Cuz from the moment that I saw your face  
And felt the fire in your sweet embrace  
Oh I'm gonna love you forever, forever

I'm gonna love you forever  
Ten thousand lifetimes together  
'Cuz from the moment that I saw your face  
And felt the fire in your sweet embrace  
Oh I'm gonna love you forever, forever  
I'm wanna love you forever  
Ten thousand lifetimes together
