Hey lady, let me tell you why
I can't live my life without you, oh baby
Every time I see you walking by I get a thrill
You don't notice me but in time you will
I must make you understand

I wanna be your man
I wanna be your man
I wanna be your man
I wanna be your man

You better not pass my by
'Cause if you do, you'll lose a good thing, oh baby
'Cause what I've got to say
Is sealed with a kiss and a wedding ring, wedding ring

My mind is blind at times
I can't see anyone but you
Those other girls don't matter
No, they can't spoil my view
I must make you understand

I wanna be your man
I wanna be your man
I wanna be your man
I wanna be your man

Words can never say what I feel, it's too intense
I've tried and tried and tried and tried
To tell you how I feel but I get mixed up
So mixed up

My mind is blind at times
I can't see anyone but you
Those other girls don't matter
No, they can't spoil my view
I must make you understand

I wanna be your man
I wanna be your man
I wanna be your man
I wanna be your man

I wanna be your man
I wanna be your man
I wanna be your man
I wanna be your man

I wanna be your man
