I gotta take a little time
A little time to think things over
I better read between the lines
In case I need it when I'm older
Ooooh woah-ah-aah
In my life there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
To change this lonely life
I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me
Aaaah woah-oh-oooh
I'm gonna take a little time
A little time to look around me,
I've got nowhere left to hide
It looks like love has finally found me
In my life there's been heartache and pain
I don't know if I can face it again
I can't stop now, I've traveled so far
To change this lonely life
(To change this lonely life)
Lets Talk about love
I wanna know what love is
(the love that you feel inside)
I want you to show me
(I'm feeling so much love)
I wanna feel what love is
(no, you just cannot hide)
I know you can show me
(yeah, woah-oh-oooh)
I wanna know what love is
(let's talk about love)
I want you to show me
(I wanna feel it too)
I wanna feel what love is
(I wanna feel it too, And I know, and I know, and I know,
and I know, and i know)
I want you to show me
Ooooh oh yeah!
