I want you baby
(I want you)
And I need you baby
(I need you)

Oh baby, you got me on my knees
(Got me on my knees)
You got baby, baby baby
Baby baby, baby please

I know you don't trust, the way I feel now
That's why you are standing over there
But don't go back on me baby
Believe me, believe me 'cause I really care, oh

And I want you baby
Oh, and I need you, I need you, I need you, oh baby
You got me on my knees
You got me baby, baby, baby, baby, baby, ba-ba-baby,
oh yeah

Oh, I want you baby and I need you baby
Ooh oh baby, I need you baby, yes I do
I want you, baby, you got me baby and I'm yours baby
Ooh, baby, baby, baby, baby, baby, baby, yes
