And I wonder if you ever think about me anymore  
And I wonder if you ever think about me when your  
bored  
And I wonder if you ever think about me when you're  
hangin' in New York

And I wonder if you still think Bono writes his songs for  
you  
And I wonder if the reasons why you left me were  
untrue  
And I wonder if you give him more excuses from the  
ones I got from you

Because  
Girl you mean  
So much to me  
I wish that we  
Could start it over, start it over  
I don't need your sympathy or apologies  
Still I'm staring in my coffee cup it's six A.M  
And I cannot give up

And I wonder if you're happy or just glad to see me  
scarred  
Did my drunk compelled confessions sobered up  
completing hard  
I am bending over backwards to get close to you but  
still I feel so far

Because  
Girl you mean  
So much to me  
I wish that we  
Could start it over, start it over  
I don't need your sympathy or apologies  
Still I'm staring in my coffee cup at six am  
And I cannot give up

Girl you mean  
So much to me  
I wish that we could start it over  
I don't need your sympathy or apologies

No more

Girl you mean

So much to me

I wish that we

Could start it over, start it over

I don't need your sympathy or apologies

I just want you here with me
