(Meg)

If theres a prize for rotten judgement  
I guess I've already won that  
No man is worth the aggravation  
Thats ancient history, been there done that

(Muses)

Who'd you think you're kidding  
He's the earth and heaven to you  
You try to keep it hidden  
Honey we can see right through you  
Girl cant concieve it  
We know how you're feeling  
And who you're thinking of

(Meg)

Oh, no chance no way, i wont say it no no

(Muses)

You swoon, you sigh  
why deny it uh oh

(Meg)

Its still cliche I wont say I'm in Love

(Meg)

I thought my heart had learned it's lesson  
It feels so good when you start out  
My head is saying get a grip girl  
Unless you're dying to cry your heart out

(Muses)

You keep on denying  
Who you are and how you're feeling  
Baby we're not buying  
Hon we saw you hit the ceiling  
Face it like a grown up  
Where you're gonna hold up that you go got  
Got it BAD

(Meg)

Oh, no chance no way, i wont say it no no

(Muses)

Give up

Give in

Check the grin you're in love

(Meg)

The scene wont play, i wont say it

(Muses)

You're doing flips, read our lips you're in love  
(Meg)  
You're way off base, i wont say it  
Get off my case, i wont say it  
(Muses)  
Girl, dont be proud  
Its okay you're in love  
(Meg)  
At least out loud...
