by Sarah Mclachlan

Your love is better than ice cream  
better than anything else that I've tried  
& your love is better than ice cream  
everyone here know how to fight

& it's a long way down  
it's a long way down  
it's a long way down to the place  
where we started from

Your love is better than chocolate  
better than anything else that I've tried  
oh love is better than chocolate  
everyone here knows how to cry

it's a long way down  
it's a long way down  
it's a long way down to the place  
where we started from...  
do do do
