Some people live for the fortune
Some people live just for the fame
Some people live for the power, yeah
Some people live just to play the game
Some people think that the physical things
Define what's within
And I've been there before
But that life's a bore
So full of the superficial

[Chorus]
Some people want it all
But I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, Yeah.

Some people search for a fountain,
that promises forever young
Some people need three dozen roses
And that's the only way to prove you love them
Hand me the world on a silver platter
And what good would it be
With no one to share
With no one who truly cares for me

[Chorus x2]
Some people want it all
But I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, you, you.

Some people want it all
But I don't want nothing at all
If it ain't you baby
If I ain't got you baby

Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, yeah.

If I ain't got ya with me baby.

So nothing in this
whole wide world,
dont mean a thing
if i ain't got ya with me baby.
