Uh oh, there you go again talking cinematic
Yeah you! You're charming, got everybody star struck
I know how you always seem to go
For the obvious instead of me but get a ticket and you'll
see

If we were a movie, you'd be the right guy
And I'd be the best friend that you fall in love with
In the end we'd be laughing, watching the sunset
Fade to black, show the names, play the happy song,
yeah

Yeah, yeah when you call me I can hear it in your voice
Oh sure! Wanna see me and tell me all about her
La la, I'll be acting through my tears
Guess you'll never know that I should win an Oscar for
the scene I'm in

If we were a movie you'd be the right guy
And I'd be the best friend that you fall in love with
In the end we'd be laughing, watching the sunset
Fade to black, show the names, play the happy song

Wish I could tell you there's a twist, some kind of hero
in disguise
And we're together, it's for real, now playing
Wish I could tell you there's a kiss like something more
than in my mind
I see it could be amazing
(Could be amazing!)

If we were a movie, you'd be the right guy
And I'd be the best friend that you fall in love with
In the end we'd be laughing, watching the sunset
Fade to black, show the names, play the happy song

If we were a movie, you'd be the right guy
And I'd be the best friend that you fall in love with
In the end we'd be laughing, watching the sunset
Fade to black, show the names, play the happy song

If we were a movie, you'd be the right guy

And I'd be the best friend that you fall in love with
In the end we'd be laughing, watching the sunset
Fade to black, show the names, play the happy song
