I close my eyes
And even when I'm sleeping
I'm alright
'Cause You are in my life

Once upon a time
I only imagined this
And now You're mine
Wished for you so hard
Prayed that You'd find me
Baby you're here today
Here to remind me

If you believe that dreams come true
There's One that's waiting there for you
'Cause I believed when I saw You
That when you want something enough
That it can't escape Your love
There is nothing in the world that cannot be
If you believe, oh oh

Everybody said
That I was a fool to think
That we could be (Everybody said that)
That I couldn't get my heart out of my head
But they just didn't see
No, they just could not have
The feeling that You give
The places that You go

If you believe that dreams come true
There's One that's waiting there for you
'Cause I believed when I saw You
That when you want something enough
That it can't escape Your love
There is nothing in the world that cannot be
If you believe

Never wished for material things
Never needed wind in my wings
I never wished for anything but You oh
I can't explain it

Someone just told me
"Go where your heart is
You'll never be lonely."

If you believe that dreams come true
There's One that's waiting there for you
'Cause I believed when I saw You
That (when you believe) when You want Someone
enough
Then they can't escape Your love
There is nothing in the world that cannot be
If you believe

Believe, believe, believe, ooh
