Tonic---If You Could Only See

If you could only see the way she loves me  
Then maybe you would understand  
Why I feel this way about our love  
And what I must do  
If you could only see  
How blue her eyes can be when she says  
When she says she loves me

Well you got your reasons  
And you got your lies  
And you got your manipulations  
They cut me down to size

Sayin' you love but you don't  
You give your love but you won't

If you could only see the way she loves me  
Then maybe you would understand  
Why I feel this way about our love  
And what I must do  
If you could only see  
How blue her eyes can be when she says  
When she says she loves me

Seems the road less traveled  
Show's happiness unraveled  
And you got to take a little dirt  
To keep what you love  
That's what you gotta do  
Sayin' you love but you don't  
You give your love but you won't  
You're stretching out your arms  
To something that's just not there  
Sayin' you love where you stand  
Give your heart when you can

If you could only see the way she loves me  
Then maybe you would understand  
Why I feel this way about our love  
And what I must do

If you could only see  
How blue her eyes can be when she says  
When she says she loves me

Sayin' you love but you don't  
You give your love but you won't  
Sayin' you love where you stand  
Give your heart when you can

If you could only see the way she loves me  
Then maybe you would understand  
Why I feel this way about our love  
And what I must do  
If you could only see how blue her eyes can be when  
she says  
When she says she loves me
