[Angel]

Live in my house  
I'll be your shelter  
Just pay me back  
With one thousand kisses  
Be my lover - I'll cover you

[Collins]

Open your door  
I'll be your tenant  
Don't got much baggage  
To lay at your feet  
But sweet kisses I've got to spare  
I'll be there - I'll cover you

[Both]

I think they meant it  
When they said you can't buy love  
Now I know you can rent it  
A new lease you are, my love,  
On life - be my life

Just slip me on

I'll be your blanket  
Wherever - whatever - I'll be your coat

[Angel]

You'll be my king  
And I'll be your castle

[Collins]

No you'll be my queen  
And I'll be your moat

[Both]

I think they meant it  
When they said you can't buy love  
Now I know you can rent it  
A new lease you are, my love,  
On life - all my life

I've longed to discover  
Something as true as this is

[Collins & Angel]  
So with a thousand  
sweet kisses If you're cold  
I'll cover you And you're lonely  
With a thousand  
sweet kisses  
I'll cover you You've got one nickel only  
With a thousand sweet kisses  
I'll cover you  
When you're worn  
out and tired With a thousand sweet kisses  
I'll cover you  
When your heart has  
expired

[Both]  
Oh lover I'll cover you  
Oh lover I'll cover you
