Whatever you want
Whatever you need
Anything you want done baby
I'll do it naturally

'Cause I'm every woman
It's all in me
It's all in me, yeah

I'm every woman
It's all in me
Anything you want done baby
I'll do it naturally

I'm every woman
It's all in me
I can read your thoughts right now
Every word from A to Z

I can cast a spell, secrets you can't tell
Mix a special groove put fire inside of you
Anytime you feel danger or fear
Then instantly, I will appear

I'm every woman
It's all in me
Anything you want done baby
I'll do it naturally

I can sense your needs like rain unto the seeds
I can make a rhyme of confusion in your mind
And when it comes to some good old-fashioned love
I got it, I got it, I got it, got it baby baby

I'm every woman
It's all in me
Anything you want done baby
I'll do it naturally

I'm every woman
It's all in me
I can read your thoughts right now

Every word from A to Z

I ain't braggin' 'cause I'm the one
Just ask me oh, it shall be done
And don't bother to compare
I've got it

I'm every woman
I'm every woman
I'm every woman
I'm every woman

I'm every woman
I'm every woman
I'm every woman
I'm every woman

I'm every woman
I'm every woman
I'm every woman
I'm every woman
