I say a prayer every night
Whatever I do, I'll get it right
With no regret, no guilt or shame
This time, no not this time

Once I surrender, I won't dare look back
'Cause if I do, I'll get off track
Move ahead in faith, and patiently await
Your answer, what will it be

Sight beyond what I see
You know what's best for me
Prepare my mind, prepare my heart
For whatever comes, I'm gonna be ready

Strength to pass any test
(Any test)
I feel like I'm so blessed
With You in control, I can't go wrong
'Cause I always know, I'm gonna be ready

I was free to do, what I wanted to
Lost everything but I still had You
You showed me Your grace now my life's renewed
And I thank You, yes, I thank You

So I'll tell anyone who'll listen, I'll testify
About how good You were to me
When so call friends passed me by
The fact that You would show somebody
So broke down, so much mercy

Sight beyond what I see
(Beyond what I see)
You know what's best for me
(I know, You know what's best for me)

'Cause I always know, I'm gonna be ready
('Cause I know that I'm gonna be ready)

So use me as You will, I'll pay the price
'Cause You made the ultimate sacrifice
It's all because of You, that I even have life
And I'll give my love, as a tribute to how great You are
