Imagine theres no heaven, it's easy if you try
No hell below us, and above us is only sky
imagine all the people, living for today

You may say i'm a dreamer, but i'm not the only one
I hope someday you'll join us
And the world will live as one.

Imagine theres no countries, it isnt hard to do
Nothing to kill or die for , and no religions too.
imagine all the people living life for peace.

You may say i'm a dreamer, but i'm not the only one
I hope someday you'll join us
And the world will live as one.

Imagine no possessions, i wonder if you can
No need for greed or hunger, a brotherhood of man
Imagine all the people, sharing for the world

You may say i'm a dreamer, but i'm not the only one
I hope someday you'll join us
And the world will live as one.
