I've never seen you look like this without a reason
Another promise fallen through, another season
passes by you

I never took the smile away from anybody's face
And that's a desperate way to look for someone who is
still a child
In a big country dreams stay with you
Like a lover's voice fires the mountainside, stay alive

I thought the pain and truth were things that really
mattered
But you can't stay here with every single hope you had
shattered

I'm not expecting to grow flowers in a desert
But I can live and breathe and see the sun in wintertime
In a big country dreams stay with you
Like a lover's voice fires the mountainside, stay alive
In a big country dreams stay with you
Like a lover's voice fires the mountainside, stay alive

So take that look out of here it doesn't fit you
Because it's happened doesn't mean you've been
discarded
Pull up your head off the floor come up screaming
Cry out for everything you ever might have wanted

I thought that pain and truth were things that really
mattered
But you can't stay here with every single hope you had
shattered

I'm not expecting to grow flowers in a desert
But I can live and breathe and see the sun in wintertime
In a big country dreams stay with you
Like a lover's voice fires the mountainside, stay alive

In a big country dreams stay with you
Like a lover's voice fires the mountainside, stay alive
In a big country dreams stay with you
Like a lover's voice fires the mountainside, stay alive
