Well the eagle's been flyin' slow  
And the flag's been flyin' low  
And a lot of people sayin'  
That America's fixin' to fall

Well speakin' just for me  
And some people from Tennessee  
We've got a thing or two to tell you all

This lady may have stumbled  
But she ain't never fell  
And if the Russians don't believe that  
They can all go straight to hell

We're gonna put her feet back  
On the path of righteousness and then  
God bless America again

And you never did think  
That it ever would happen again  
In America, did you  
You never did think  
That we'd ever get together again  
We damn sure fooled you

Yeah, we're walking real proud  
And we're talkin' real loud again  
In America  
You never did think  
That it ever would happen again

From The Sound up in Long Island  
Out to San Francisco Bay  
And everything that's in between them  
Is our home

And we may have done a little bit  
Of fightin' amongst ourselves  
But you outside people best leave us alone

'Cause we'll all stick together  
And you can take that to the bank

That's the cowboys and the hippies  
And the rebels and and the yanks

You just go and lay your hand  
On a Pittsburgh Steelers' fan  
And I think you're gonna finally understand

And you never did think  
That it ever would happen again  
In America, did you  
You never did think  
That we'd ever get together again  
We damn sure fooled you

Yeah, we're walking real proud  
And we're talkin' real loud again  
In America  
You never did think  
That it ever would happen again

And you never did think  
That it ever would happen again  
In America, did you  
You never did think  
That we'd ever get together again  
We damn sure fooled you

Yeah, we're walking real proud  
And we're talkin' real loud again  
In America  
You never did think  
That it ever would happen again
