I sit and watch the rain  
And see my tears run down the windowpane  
I sit and watch the sky  
And I can hear it breathe a sign

I think of him, how we were  
And when I think of him  
Then I remember, remember

In his eyes I can see  
Where my heart longs to be  
In his eyes I see a gentle glow  
And that's where I'll be safe, I know  
Safe in his arms, close to his heart

But I don't know quite where to start  
By looking in his eyes  
Will I see beyond tomorrow?  
By looking in his eyes  
Will I see beyond the sorrow  
That I feel?

Will his eyes reveal to me  
Promises or lies?  
But he can't conceal from me  
The love in his eyes

I know their every look, his eyes  
They're like an open book, his eyes  
But most of all the look  
That hypnotized me

If I'm wise, I will walk away  
And gladly but sadly  
I'm not wise, it's hard to talk away  
The memories that you prize

Love is worth forgiving for  
Now I realize  
Everything worth living for  
Is there in his eyes

Love is worth forgiving for  
Now I realize, now I realize  
Everything worth living for  
Is there in his eyes
