In My Dreams
performed by Noemi

And the moon will always smile
In my dreams
In my dreams
And our sun will always rise
In my dreams
In my dreams

What you get is what you see
So it seems
So it seems
Think about your words to me
In my dreams
So it seems

Don't answer for the reason
Don't answer for the time
We sealed it with a promise
And found it in a crime
Remember all the feelings
Remember all the love
It's burning like a fire
And pray to heaven above

And the moon will always smile
In my dreams (in my dreams)
In my dreams (in my dreams)

What you get is what you see
In my dreams (in my dreams)
So it seems (so it seems)

Don't answer for the reason
Don't answer for the time
We sealed it with a promise
And found it in a crime
Remember all the feelings
Remember all the love
It's burning like a fire
And pray to heaven above
