Motion City Soundtrack

Outside the sidelines failing, harder than the martyred
stars of made-for-TV crime
Indoor living in a cardboard confines counts for very
little
When safe is just a state-of-mind.
I fell off the sidelines long ago,
I have no occupation, I'm just wasted for the weekend
scene
So don't ask me out, don't make me try,
'Cause I don't wanna let you, I don't wanna...

And I can't complain if I don't know how
It's a sad, sad song with no story line
I fall to sleep in my rented room
It's not much to talk about,
I've got so much to talk about
But I don't wanna let you
I don't wanna let you down

Last call for societal knockdowns,
Measure my endeavors loosely based on someone
elses song
Melodrama and a bottle of wine,
Yeah, here's to self expression, here's to everyone
that's dead
Bring back the days that fell behind
I'm all wasted conversations in the corner of an empty
room
So don't ask me out, don't make me try
'Cause I don't wanna let you, I don't wanna...

And I can't complain if I don't know how
It's a sad, sad song with no story line
I fall to sleep in my rented room
It's not much to talk about,
I've got so much to talk about
But I don't wanna let you
I don't wanna let you down
(2x)

Outside the sidelines failing harder than the martyred
stars of made-for-TV crimes
So don't ask me out, don't make me try
'Cause I'm just gonna let you, I'm just gonna let you
down
