Instant karmas gonna get ya.
It will knock you right over head.
Ya better get yourself back together.
Pretty soon ya gonna be dead!

What in the world do you think you have done?
Laughing in the face of love.
Wonder if you try to do,
Its up to you! Ya you!

Instant karmas gonna get ya
Gonna get you right in the face.
Better get yourself together, darling.
And join the human race.

What in the world are you going to see?
Laughing at fools like me.
What on earth do you think you are?
A superstar? Ya right you are!

And we all shine on!
Like the moon, the stars, and the sun!
And we all shine on!
On and on and on and on!

Instant karmas gonna get ya.
It will knock you right off your feet.
Better recongnize your brother.
Everyone that you meet.

Why in the world over here?
Shouldn't of done any pain or fear.
Why on earth are you there?
Well your everywhere, come get your share!

And we all shine on!
Like the moon, the stars, and the sun!
And we all shine on!
On and on and on and on!

And we all shine on!
Like the moon, the stars, and the sun!

And we all shine on!
On and on and on and on!

Shine on!
Shine on!
Shine on!
Cut on it on and on and on!
