You set my lips on fire  
You won the key to my heart  
You've got a special way to move me  
Can't stop now, let's do it again

You keep me dancing through the moonlight  
I feel the pleasure in your touch  
And everything you are is heaven  
Oh, I can't get enough, no, I can't get enough

Instant replay  
(Got to have it)  
Instant replay  
Instant replay  
(Got to have your love again)

I feel so good about us  
I found a shining star  
And when I look into your eyes  
It's magic

Yeah, I just know this can't be a dream  
I'm so happy, must be real  
In every way it's gettin' stronger  
Now you know it, let me show it

Instant replay  
(Got to have it now)  
Instant replay  
Instant replay  
(Got me floating on a cloud)  
(Got me dancing all around, all around, all around)

Let's do it again

Instant replay  
Instant replay  
Instant replay

Come on  
Ah yeah  
How's that  
Yeah

Instant replay  
Instant replay  
(I'm leaving, I'm leaving now)  
Instant replay  
(I need your love, love babe)  
(Once again, once again)

Instant replay  
(Oh, got your number)  
Instant replay  
(I'm gonna call you up now)  
Instant replay  
(Oh, got me fooling all around)  
(Got me dancing all around)

Instant replay  
(Your instant replay)  
Instant replay  
(Your instant replay)  
Instant replay

Ooh, I can't stand it, I can't stand it  
Got to have it, 'cause I need it  
Don't you know, don't you know  
Don't you know, I need your love  
Ooh hoo, baby, ooh hoo, baby

I'm gonna tell you one more time  
You know I need love  
(Instant replay)  
Need love, love, love, love

You know I need love  
(Need an instant replay)  
You know I need love  
(Need an instant replay)  
You know I need love  
(Need an instant replay)

You got me dancing, dancing  
(You know I need)  
An instant replay  
Instant replay  
Instant replay  
Oh, baby, baby, yeah
