One there was a lonely silence, and not a spec of hope  
in sight

And every tiny bubble burst, on it's journey to the light  
But the spark of creation will flicker again  
Its a brand new era, about to begin

Now you've been caught with console, and left out in  
the cold  
Evolution's been passing us by  
With this potion in hand, we've been givin' the chance  
Its time to turn the tie  
Come join me and seize this opportunity  
Alter your destiny  
Once in a row will be enough to put you on top

Intelligence, sailing you away  
Intelligence, have a visit today  
We owe it all to Joe

One potion, one ocean  
One ruler of it all  
Its a vision i've seen  
Its a world of your dreams  
Its a pearl in the palm of your hand  
With the power of speech, it is all within reach  
We can swim to the promised land

Our promise is Joe  
He'll be our guiding light  
He's mister big-time  
King of the crop  
Lord of the krill  
The prince of the whales

Intelligence, sailing you away  
Intelligence, have a visit today  
We owe it all to Joe

King of the crop  
Lord of the krill  
The prince of the whales
