You know that it would be untrue
You know that I would be a liar
If I was to say to you, hey
Girl, we couldn't get much higher

Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire

The time for hesitation's through
There's no time to wallow in the mire
Darling we could only lose
And our love become a funeral pyre

Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire

Well, you know that it would be untrue
And you know that I would be a liar
If I was to go and tell you
Mama, we couldn't get much higher

Hey, come on baby, light my fire
Come on baby, light my fire, yeah
Try to set the night on fire, hey

Come on baby light, light my fire, yeah
Come on baby, light my fire
Don't you know it's alright?

Light my fire, light my fire, light my fire, oh
Light my fire, light my fire, light my fire, yeah, girl
Girl, you better light my fire, yeah
You better light, you better light
You better light my fire
And we're gonna get much higher

Oh, come on girl, you know I love you, girl
You know I need you, baby
Come on, light, light, light, light my fire, light my fire,
light my fire

Light my fire, light my fire, light my fire
Light, light, light, light, light my, my fire
Light, light, light, light, light my fire girl
You better light my fire
