Get into the groove boy you've got to prove
Your love to me
Get up on your feet step to the beat
Boy what will it be?

Music can be such a revelation
Dancing around you feel the sweet sensation
We might be lovers if the rhythm's right
I hope this feeling never ends tonight

Only when I'm dancing can I feel this free
At night I lock the doors and no one else can see
I'm tired of dancing here all by myself
Tonight I wanna dance with someone else

Get into the groove by you've got to prove
Your love to me
Get up on your feet step to the beat
Boy what will it be?

Gonna get to know you in a special way
This doesn't happen to me every day
Don't try to hide it love wears no disguise
I see the fire burning in your eyes

Only when I'm dancing can I feel this free
At night I lock the doors, where no one else can see
I'm tired of dancing here all by myself
Tonight I wanna dance with someone else

Get into the groove boy you've got to prove
Your love to me
Get up on your feet, yeah step to the beat
Boy what will it be?
