Well I've been waitin'
Waitin' here so long
But thinkin' nothing
Nothing could go wrong

But now I know
She has a built in ability
To take everything she sees
And now it seems, I'm fallin' fallin' for her

She seems to have an invisible touch yeah
She reaches in, grabs right hold of your heart
She seems to have an invisible touch yeah
It takes control and slowly tears you apart

I don't really know her
I only know her name
But she crawls under your skin
You're never quite the same

And now I know
She's got somethin' you just can't trust
It's something mysterious
And now it seems, I'm fallin', fallin' for her

She seems to have an invisible touch yeah
She reaches in, grabs right hold of your heart
She seems to have an invisible touch yeah
It takes control and slowly tears you apart

She seems to have an invisible touch yeah
She reaches in, grabs right hold of your heart
She seems to have an invisible touch yeah
It takes control and slowly tears you apart

She don't like losing
To her it's still a game
And know she'll mess up your life
You'll want her just the same

And now I know
She has a built in ability

To take everything she sees
And now it seems I've fallen, fallen for her

She seems to have an invisible touch yeah
She reaches in and grabs right hold of your heart
She seems to have an invisible touch yeah
It takes control and slowly tears you apart

She seems to have an invisible touch yeah
She seems to have
She seems to have an invisible touch yeah
She seems to have

She seems to have an invisible touch yeah
She seems to have
She seems to have an invisible touch yeah
She seems to have
