Your subtleties they strangle me
I can't explain myself at all
And all the wants and all the needs
All I don't want to need at all

The walls start breathing, my mind's unweaving
Maybe it's best you leave me alone
A weight is lifted on this evening
I give the final blow

When darkness turns to light
It ends tonight, it ends tonight

A falling star, at least I fall alone
I can't explain what you can't explain
You're finding things that you didn't know
I look at you with such disdain

The walls start breathing, my mind's unweaving
Maybe it's best you leave me alone
A weight is lifted on this evening
I give the final blow

When darkness turns to light
It ends tonight, it ends tonight
Just a little insight won't make this right
It's too late to fight, it ends tonight, it ends tonight

Now I'm on my own side
It's better than being on your side
It's my fault when you're blind
It's better that I see it through your eyes

All these thoughts locked inside
Now you're the first to know

When darkness turns to light
It ends tonight, it ends tonight
Just a little insight won't make this right
It's too late to fight, it ends tonight

It ends when darkness turns to light

It ends tonight, it ends tonight
Just a little insight won't make this right
It's too late to fight, it ends tonight, it ends tonight,
tonight, insight
When darkness turns to light it ends tonight
