It's beginning to look a lot like Christmas
Everywhere you go
Take a look in the five and ten, glistening once again
With candy canes and silver lanes aglow

It's beginning to look a lot like Christmas
Toys in every store
But the prettiest sight to see is the holly that will be
On your own front door

A pair of hop along boots and a pistol that shoots
Is the wish of Barney and Ben
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen
And mom and dad can hardly wait for school to start
again

It's beginning to look a lot like Christmas
Everywhere you go
There's a tree in the grand hotel and one in the park as
well
The sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas
Soon the bells will start
And the thing that will make them ring
Is the carol that you sing, right within your heart
