Oh Oh Oh Oohoh Hut, Come On!
Oh Oh Oh Oohoh Hut, Come On!

This time for real, Tired of playing it safe
Inside I feel, I've got what it takes

To prove to the world, who I really can be
I know for sure, there's no stopping me

No time to wait on the side,
Watching, they all pass me by,
I'm gunna be in the game,
Watch me play it,
Im comin with it ya know,
Lets get a start on the show,
Turn up the lights at the stage

No more waitin'

It's my turn now,
And you know that I'm ready,
It's my turn now,
And I'm strong and I'm steady

Break down the walls,
Gunna go for it all,
It's my time,
Gunna shine,
Show you how,
Because it's my turn now

Oh Oh Oh Oohoh

Ok

What

Oh Oh Oh Oohoh

Im in my groove,
Now I'm havin' some fun

I know what to do,
And how to get it done
Do my thing
Do it tight
And there's no more than that
Make it good,
Make it right
Hear the crowd react

No time to wait on the side,
Watching, they all pass me by,
I'm gunna' be in the game,
Watch me play it,

I'm comin' with it ya know,
Let's get a start on the show,
Turn up the lights at the stage

No more waitin'

It's my turn now,
And you no that I'm ready,
It's my turn now,
And I'm strong and I'm steady

Break down the walls,
Gonna go for it all,
It's my time,
Gonna' shine,
Show you how,
Because it's my turn now

It's my turn now,
In my heart I believe it
If I can see how,
I can live what I'm dreamin'

I understand,
And I know who I am
It's my chance,
Gonna' dance,
Play it loud,
Because it's my turn now

What

I understand,
And now I know who I am
It's my chance,
Gonna' dance,
Play it loud,

Because it's my turn now

My turn now

1,2 now we do
Just what I've always wanted to
3,4 do some more
Everything you ever wanted, ever were waitin' for

Yeaaaaaaa

It's my turn now,
and you no that I'm ready,
It's my turn now,
And I'm strong and I'm steady

Break down the walls,
Gunna' go for it all,
It's my time,
Gunna' shine,
Show you how,
Because it's my turn now

It's my turn now,
In my heart I believe it
If I can see how,
I can live what I'm dreamin'

I understand,
And now I know who I am
It's my chance,
Gunna dance,
Play it loud,
Because it's my turn now!
