GALLERIA

Four voices perfectly blending
Right from the start
Oooooh, I'm afraid that's ending
And my world is fallin' apart

It's over

And I feel so alone
This is a sadness I've never known
How did I let the sweetest of dreams slip away
And I'm afraid the hurt is here to stay

CHANEL

Promises made, not meant to be broken
From a long time ago
Oooooh, so many words still unspoken
Tell me how was I to know (It's over)

It's over

Never thought it would be
Why in the world did this happen to me

CHANEL & GALLERIA

How could I let
The sweetest of dreams slip away

CHANEL

And I'm afraid the hurt is here to stay

CHANEL & GALLERIA

I go round and round
and round in my head

Wanting to take back
Whatever I said

No one was right
We all made mistakes
I'm ready to do whatever it takes
Please, Please, Please

CHANEL
Don't let it be...

ALL CHEETAHS
Over!
No, this is not how it ends
I need my sisters, my family, my friends
Don't wanna let
The sweetest of dreams slip away

ALL CHEETAHS
'Cause if it's over
Then the hurt is here to stay
Don't let it be over

GALLERIA
Please...

ALL CHEETAHS
Don't let it be over

GALLERIA
Please, don't let it be over
