It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it
I feel fine

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it
And I feel fine, I feel fine, I feel fine, I feel fine

It's the end of the world
It's the end of the world
It's the end of the world

It's the end of the world
It's the end of the world
It's the end of the world
I feel fine

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it
And I feel fine

It's the end of the world
It's the end of the world
It's the end of the world
I feel fine

It's the end of the world
It's the end of the world
It's the end of the world
