[the lox]

L-o-x, yeah

J lo, yeah

Yeah, yo, yo

We off the block this year

Went from a load to a lot this year

Everybody mad at the rocks that I wear

I know where I'm going and I know where I'm from

You hear lox in the air

Yeah we at the airport out in d-block

From the block where everybody air force'd out

With a new white t, you fresh

Nothing phony with us

Make the money, get the mansion, bring it home swizz

[j lo]

From in living color to movie scripts

To on the six , to j lo to this headline clips

I stay grounded

As the amounts roll in

I'm real I thought I told you

(I'm real)

I'm real even on oprah

(I'm real)

That's just me

Nothing phony, don't hate on me

What you get is what you see, oh

Don't be fooled by the rocks that I got

I'm still, I'm still jenny from the block

Used to have a little, now I have a lot

No matter where I go

I know where I came from

Don't be fooled by the rocks that I got

I'm still, I'm still jenny from the block

Used to have a little, now I have a lot

No matter where I go

I know where I came from

I'm down to earth like this

Rockin' this business

I've grown up so much

I'm in control and lovin' it
Rule has got me laughing kid
I love my life and my public
Put God first and can't forget to stay real
To me it's like breathing, yeah

Don't be fooled by the rocks that I got
I'm still, I'm still jenny from the block
Used to have a little, now I have a lot
No matter where I go
I know where I came from
Don't be fooled by the rocks that I got
I'm still, I'm still jenny from the block
Used to have a little, now I have a lot
No matter where I go
I know where I came from

[the lox]

Yo, yo
It take hard work to cash checks
So don't be fooled by the rocks that I got, the assets
You get back what you put out
And even if you take the good route
You can't count the hood out
After a while you'll know who to blend with
Just keep it real with the ones you came in with
Best thing to do is stay low
The blocks and j lo
They act like they don't - but they know
They can't get a penny from the block
And at the end of the day
She's still jenny from the block, yeah

Don't be fooled by the rocks that I got
I'm still, I'm still jenny from the block
Used to have a little, now I have a lot
No matter where I go
I know where I came from
Don't be fooled by the rocks that I got
I'm still, I'm still jenny from the block
Used to have a little, now I have a lot
No matter where I go
I know where I came from
