There's a village hidden deep in the valley
Among the pine trees half forlorn
And there on a sunny morning
Little Jimmy Brown was born

All the chapel bells were ringing
In the little valley town
And the songs that they were singing
Was for baby Jimmy Brown

And the little congregation
Prayed for guidance from above
Lead us not into temptation
Bless this hour of meditation
Guide him with eternal love

From the village hidden deep in the valley
One rainy morning dark and gray
A soul went its way to heaven
Jimmy Brown had passed away

Just the lonely bell was ringing
In the little valley town
Twas there will that it was singing
To our good old Jimmy Brown

And the little congregation
Prayed for guidance from above
Lead us not into temptation
May his soul find the salvation
Of Thy great eternal love
