Johnny Angel  
How I love him  
He's got something that I cant resist  
But he doesnt even know that I exist

Johnny Angel  
How I want him  
How I tingle when he passes by  
Ev'ry time he says "Hello" my heart begins to fly

I'm in heaven  
I get carried away  
I dream of him and me  
And how its gonna be

Other fellows call me up for a date  
But I just sit and wait  
I'd rather concentrate  
On Johnny Angel  
Cause I love him  
And I pray that someday he'll love me  
And together we will see how lovely can be
