Ohh jump in, ohhhh yea!  
I use to think that winning was for everyone else yea...  
But then you showed me a picture of me bein' myself  
yea...

You make me feel so special inside,  
like there was nothing that i couldn't try,  
I'll always feel like a winner it's true... with you...

You make me wanna!

Jump to the rhythm and step to the music,  
All in together, let's show'em how we do it,  
Step to the rhythm and dance to the music,  
All in together we shine!

Yea...

Life isn't all so simple though,  
tough choices to make, yea...  
Trying to keep everyone happy can  
be a mistake, yea...

The time has come to be true to yourself,  
stop chasing dreams babe, for somebody else  
deep inside there's a winner its true...  
In you...

Ya make me wanna!

Jump to the rhythm and step to the music,  
All in together, let's show'em how we do it,  
Step to the rhythm and dance to the music,  
All in together we shine!

Jump to the rhythm and step to the music...

All in together let's show'em how we do it!
