Each day through my window, I watch her as she
passes by
I say to myself, "You're such a lucky guy"
To have a girl like her is truly a dream come true
Out of all the fellas in the world she belongs to me

But it was just my imagination
Running away with me
It was just my imagination
Running away with me

Soon we'll be married and raise a family
A cozy little home out in the country with two children,
may be three
I tell you I can visualize all
This couldn't be a dream for too me, oh no it's real

But it was just my imagination, once again
Running away with me
It was just my imagination
Running away with me

Every night, on my knees I pray, dear Lord, hear my
plea
Don't ever let another take her love from me or I will
surely die
Her love is heavenly when her arms enfold me, I hear
her tender rhapsody
But in reality she doesn't even know me

Just my imagination, once again
Running away with me
It was just my imagination
Running away with me
