Just to see her, just to touch her
Just to hold her in my arms again one more time
If I could feel her warm embrace, see her smiling face
Can't find anyone to take her place, I've got to see her
again

I would do anything, I would go anywhere
There's nothin' I wouldn't do just to see her again

I can't hide it, no, I can't fight it
It's so hard to live without the love that she gave to me
Doesn't she know it, I tried hard not to show it
Can't I make her realize that she really needs me again

I would do anything, I would go anywhere
There's nothin' I wouldn't do just to see her again
She brightened up my every day, made me feel so
good in every way
If I could have her back to stay, I've got to see her
again

Just to see her, I want to see her
Just to hold her, hold her, hold her, hold her
Just to see her, see her
Just to touch her, touch her

I would do anything, I would go anywhere
There's nothin' I wouldn't do just to see her again
She brightens up my every day, makes me feel so
good in every way
If I could have her back to stay, I've got to see her
again

It would, it would, it would make me feel so good
If I, if I could only see her again
There's nothin' I wouldn't do, don't you know it's true
If I could only see her again
