[Verse 1:]

You're not alone

Together we stand

I'll be by your side

You now I'll take your hand

When it gets cold

And it feels like the end

There's no place to go

You know I won't give in

No I won't give in

[Chorus:]

Keep holding on

Cause you know we'll make it though

We'll make it though

Just stay strong

'cause you know I'm here for you

I'm here for you

[Hook:]

There's nothing you can say

And nothing you can do

There's no other way when it comes to the two

So

Keep holding on

Cause you know we'll make it though

[Verse 2:]

So far away

I wish you were here

Before it's too late, this could all disappear

Before the doors close

And it comes to an end

With you by my side I will fight and defend

I'll fight and defend

Yeeah yeah

[Chorus:]

Keep holding on

Cause you know we'll make it though

We'll make it though

Just stay strong

'cause you know I'm here for you

I'm here for you

[Hook:]

There's nothing you can say

And nothing you can do

There's no other way when it comes to the two

[Bridge:]

Hear me when I say when I say

I believe

Nothing's gonna change nothing's gonna change

As in me

Whatever is meant to be

Will work out cause the glee

Yeeah yeah yeah yeaaaaah

Lararara

Lararara

Lararararararararara

[Chorus:]

Keep holding on

Cause you know we'll make it though

We'll make it though

Just stay strong

'cause you know I'm here for you

I'm here for you

[Hook:]

There's nothing you can say

And nothing you can do

There's no other way when it comes to the two

Keep holding on

[Hook:]

There's nothing you can say

And nothing you can do

There's no other way when it comes to the two

So keep holding on cause you know we'll make it

though
