Well, you say, you got the blues  
You got holes in both of your shoes, yeah  
You're feelin' alone and fused  
You got to keep on smilin', just keep on smilin'

Yeah, you're 'bout to go insane  
'Cause your woman's playing games  
And she says that you're to blame  
You got to keep on smilin', just keep on smilin'

Keep on smilin' through the rain, laughin' at the pain  
Just blowin' with the changes till the sun comes out  
again  
Keep on smilin' through the rain, laughin' at the pain  
Just blowin' with the changes, and singin' this refrain

Singin' in a honky tonk cafe  
Nobody's hearin' what you play, yeah  
They're too busy drinkin' anyway  
You got to keep on smilin', brother keep on smilin'

Say, you found a peace of land  
Gonna change from city boy to country man, yeah  
Try to build your life with your hands  
And just keep on smilin', keep on smilin'

Keep on smilin' through the rain, laughin' at the pain  
Just blowin' with the changes, keep on singin' this  
refrain

You're just hangin' out in a local bar  
And you're wonderin' who the hell you are  
Are you a bum or are you a star?

Smile all through the rain, laugh all through the pain  
Go with the changes, till the sun comes out again

Keep on smilin', smilin'  
Laughin', say laughin'  
Go, blowin', blowin', blowin', yeah  
Keep on smilin', smilin'
