Keep on truckin', baby  
I got to keep on truckin'  
Got to get to your good lovin'

Shame, a double shame on me, yeah  
Love, love, I've left control me, yeah  
For just one kiss I am inspired  
To the lovers in time there's a fire

And I'll keep on truckin', baby  
I got to keep on truckin'  
I got to get to your dream lovin'

Baby, it's bad, it's so hard to bear, yeah  
Yes, babe, uhh, you're hard to bear, bear  
I've got a fever rising with desire  
It's my love Jones and I feel like I'm on fire

And I'll keep on keep on truckin', baby  
I got to keep on truckin'  
I got to get to your good lovin'

Feelin' good  
No, you can't stop the feelin', feelin'  
No, you can't stop the feelin'  
No, not now

Keep on truckin' on  
Keep on truckin' on, keep on truckin'  
Keep on truckin' on, keep on truckin'

Yes, I've got a fever rising with desire  
It's my love Jones and I feel like I'm on fire

And I'll keep on keep on truckin', baby

I'm the red ball express of lovin'  
Diesel powered straight to you, I'm truckin'  
In old temptation's rain, I'm duckin'  
For your love through sleet and snow, I'm truckin'

I'm the red ball express of lovin'

Diesel powered straight to you, I'm truckin'

In old temptation's rain, I'm duckin'  
For your love through sleet and snow, I'm truckin'

Ain't nothin' hold me back, nothin'  
I'll keep right on, right on truckin'  
Ain't nothin' hold me back, nothin'  
I'll keep right on, right on truckin'

Truckin'  
Truckin'
