(piano rag)

I've got a gal here in this town  
Don't want nobody to bother but me  
I've got a gal here in this town  
Don't want nobody to bother but me  
'Cause she's strickly, tailor made  
Boy, she ain't no hand-me-down  
Catch you messin' with her, boy  
I'll sho' shoot ya down

Now, keep yo' hands off her  
Don't ya dare to touch her  
You know she don't belong to you  
You know she don't belong to you  
Oh, keep yo' hands off her  
Now, don't ya dare to touch her  
Know she don't belong to you

Keep yo' hands off her  
Don't ya dare to touch her  
Know she don't belong to you  
She got some little bitty hands  
An them great big legs  
She sho' look good  
'Cause ev'rybody says it

But keep yo' hands off her  
Don't ya dare to touch her  
You know she don't belong to you  
Told you last night  
You know she don't belong to you  
(piano)

Oh, keep yo' hands off her  
Now, don't ya dare to touch her  
Know she don't belong to you  
Keep yo' hand off her  
Now, don't ya dare to touch her  
Know she don't belong to you

She got some real dark eyes

An that real curly hair  
Big Bill, is gonna follow  
That woman ev'rywhere

Keep yo' hands off her  
Told ya, don't ya dare to touch her  
You know she don't belong to you  
Told you last night  
You know she don't belong to you

Keep yo' hands off her  
Don't ya dare to touch her  
Know she don't belong to you  
Keep yo' hands off her  
Don't ya dare to touch her  
Know she don't belong to you

Now you can look her up  
An you can look her down  
She got a heaven, boy  
Ain't never been found

But keep your hands off her  
Don't ya dare to touch her  
You know she don't belong to you  
You know she don't belong to you

Oh, keep your hands off her  
Don't ya dare to touch her  
Know she don't belong to you  
Keep yo' hands off her  
Told ya dare to touch her  
Know she don't belong to you

Oh, watch her, boy  
Right as she pass by  
Because the day I'll catch you wit' her  
Boy, that's the day you gon' die

Keep yo' hands off her  
Told ya dare to touch her  
You know she don't belong to you  
Know she don't belong to you.
