Have you ever seen the sky so beautiful, colorful, wide
and wonderful

Have you ever felt the sun shine so brilliantly, raining
down oh the unity

Have you ever wanted more? (wanted more)

[chorus:]

You've got to keep your mind wide open

all the possibilities

You've got to live with your eyes open

believe in what you see

Think of all the days you've wasted worrying,
wondering, hoplessly hoping

Think of all the time ahead, don't hesitate, contimplate,
no its not too late

Have you ever wanted more? Don't you know there's so
much more

[chorus:]

You've got to keep your mind wide open

all the possibilities

You've got to live with your eyes open

believe in what you see

[bridge:]

Tomorrows horizons

Full of surprises

Don't let them chase your dreams away

[chorus:]

You've got to keep your mind wide open

all the possibilities

You've got to live with your eyes open

believe in what you see

You've got to keep your mind wide open

all the possibilities

You've got to live with your eyes open

believe in what you see

believe in what you see

believe in what you see
