L is for the way you look at me

O is for the only one I see

V is very, very extraordinary

E is even more than anyone that you adore can
Love is all that I can give to you

Love is more than just a game for two

Two in love can make it

Take my heart and please don't break it

Love was made for me and you
L is for the way you look at me

O is for the only one I see

V is very, very extraordinary

E is even more than anyone that you adore can
Love is all that I can give to you

Love is more than just a game for two

Two in love can make it

Take my heart and please don't break it

Love was made for me and you

Love was made for me and you

Love was made for me and you
