I've been waiting all day for ya babe
So won't cha come and sit and talk to me
And tell me how we're gonna be together always
Hope you know when it's late at night
I hold on to my pillow tight
And think of how you promised me forever

I never thought that anyone
Could make me feel this way
Now that you're here boy all I want
Is just a chance to say

Get out, right now, it's the end of you and me
It's too late and I can't wait for you to be gone
'Cause I know about her and I wonder how I bought all
the lies
You said that you would treat me right but you was just
a waste of time

Tell me, why you're looking so confused
When I'm the one who didn't know the truth
How could you ever be so cold
To go behind my back and call my friend?
Boy, you must have gone and bumped your head
Because you left her number on your phone

So now after all is said and done
Maybe, I'm the one to blame but
To think that you could be the one
Well, it didn't work out that way, yeah

Get out, right now, it's the end of you and me
It's too late and I can't wait for you to be gone
'Cause I know about her and I wonder how I bought all
the lies
You said that you would treat me right but you was just
a waste of time

I wanted you right here with me
But I have no choice you've gotta leave
Because my heart is breakin'
With every word, I'm sayin'

I gave up everything I had
On something that just wouldn't last
But I refuse to cry
No tears will fall from these eyes
Oh oh, get out

Get out, right now, it's the end of you and me
It's too late and I can't wait for you to be gone
'Cause I know about her and I wonder how I bought all
the lies
You said that you would treat me right but you was just
a waste of time

Get out, right now, it's the end of you and me
It's too late and I can't wait for you to be gone
'Cause I know about her and I wonder how I bought all
the lies
You said that you would treat me right but you was just
a waste of time

Get out
It's too late
About her
You said that you would treat me right but you was just
a waste of time
